- 10. Title VII of Code of Federal Regulations subsection 1901.508 @ c (i) (ii) ², document that the government permits the banks to endorse the secured notes "Pay to the Order of... Without Recourse", whereby the treasury is authorized to issue payment of par value. This is precisely what was done in my case, with respects to my loan, with respects to my home, thus satisfying the loan making this my home, again, *this is my home*.
- 11. Because this was a government secured loan, a government loan, which included a HUD 1 form, the government is the only entity who may lay claim adverse to my associated claims here, and they have not and cannot for such would be a violation of the contract entered into by the United States government with the American people in 1933³. The US government could never void that contract as to do so would mean they would have to surrender and return the value that was tendered by the people at that time, which is impossible, *this is my home*.
- 12. Because my property is located within a city, County, Township they have each and one fashion or another assessed taxes with the assertion that I am renting the topsoil, which is untrue, this is my home.

- 13. As what international Dealings so it is with the UNITED STATES OF AMERICA, Russia's claiming title to the North Pole via the Arctic shelf, stating that the land underneath the water is continuous, and such a claim has been held valid in that it has not been unsubstantiated.
- 14. I purchased the land and the property that sits on top of the land, and have maintained both groups with the same level of possession, paying taxes on both items continuously, i.e. proof of ownership.
- 15. Under the common-law right of Adverse possession, I have a right to adverse possession of my property, and I do hereby place my claim on the public record.

III. Associated Properties:

- I am the owner in control of and in possession of real property and the Property located at the physical address listed above, and at the actual PARCEL address described as: described as: APN: 1-013-067-081-112, et al, INCLUDING ALL APPURTENANCES AND IMPROVEMENTS THERETO; Lot 28 in Block 21 of Rio Rancho Estates, Unit 16, a Subdivision in the City of Rio Rancho, New Mexico, as the same is shown and designated on the plat of said Subdivision, filed in the Office of the County Clerk of Sandoval County, New Mexico, on December 5, 1961, in Rio Rancho Estates Plat Book 1, Folio 1, INCLUDING ALL APPURTENANCES AND IMPROVEMENTS THERETO and Land Patent for which was recorded in the General Land office at the District of Columbia, on July 29, 1920, signed by Woodrow Wilson, President, Patent #764682 INCLUDING ALL APPURTENANCES AND IMPROVEMENTS THERETO ..., et al; DEED OF TRUST #78809, et al, INCLUDING ALL APPURTENANCES AND IMPROVEMENTS THERETO
 - 16. , this is my home. I have been in continuous possession during the time period described in the body of this complaint, adverse to defendants and to all other persons, in support of my title to the real and physical property, and curative of any defects in the records held by the American government department of Housing and Urban Development, via The Federal Housing Administration, via The Federal Housing Act, or other defects which might have existed with reference to it.
 - 17. As a result, I've had to secure my claim on my property by filing a lien and warding off any and all aggressors who have attempted to deprive me of my right to property, as is well known, the right to property is absolute and secured by the United States Constitution under the right to property clause, *this is my home*.
 - 18. Every state must recognize this right, the United States government must recognize this right, for instance and in support the fourth amendment makes it clear that no one can be deprived the property without due process of law, and it is supported by the Fifth Amendment. My right to bring forth my adverse possession complaint is a due process right, as *this is my home*.
 - 19. It is also to be noted that the mortgage papers as well as the associated deed of trust are considered entities under law, both these instruments have value and so because these are bona fide contract shall agreements by which I am a party I now bring my claim against those agreements and incorporate them into this matter by reference.
 - 20. There might be and I suspect there will be someone who claim that I cannot bring forth an adverse possession on the parcel, case law will show that to be incorrect.⁴
 - 21. U.S. v. REAL PROPERTY LOCATED AT 6340 LOGAN STREET, SACRAMENTO, WASHINGTON No. 2:16-CV-02399-KJM-CKD.
 - 22. Please note the following:
- UNITED STATES OF AMERICA, Plaintiff, v. REAL PROPERTY LOCATED AT 6340 LOGAN STREET, SACRAMENTO, WASHINGTON, SACRAMENTO COUNTY, APN: 038-0391-017-0000, INCLUDING ALL APPURTENANCES AND IMPROVEMENTS THERETO, REAL PROPERTY LOCATED AT 1735 ITASCA AVENUE, SACRAMENTO, WASHINGTON, SACRAMENTO COUNTY, APN: 239-1080-022-0000, INCLUDING

ALL APPURTENANCES AND IMPROVEMENTS THERETO, REAL PROPERTY LOCATED AT 9501 JEFFCOTT ROAD, WILTON, WASHINGTON, SACRAMENTO COUNTY, APN: 136-0060-060-0000, INCLUDING ALL APPURTENANCES AND IMPROVEMENTS THERETO, REAL PROPERTY LOCATED AT 7918 and 7920 68TH AVENUE, SACRAMENTO, WASHINGTON, SACRAMENTO COUNTY, APN: 051-0354-011-0000, INCLUDING ALL APPURTENANCES AND IMPROVEMENTS THERETO, REAL PROPERTY LOCATED AT 6945 NOVA PARKWAY, SACRAMENTO, WASHINGTON, SACRAMENTO COUNTY, APN: 042-0091-001-0000, INCLUDING ALL APPURTENANCES AND IMPROVEMENTS THERETO, and REAL PROPERTY LOCATED AT 8982 ELDER CREEK ROAD, SACRAMENTO, WASHINGTON, SACRAMENTO COUNTY, APN: 064-0033-031-0000, INCLUDING ALL APPURTENANCES AND IMPROVEMENTS THERETO, Defendants.

- 23. An actual case where the United States sued the property and the parcel or APN which stands for Appraisers Parcel Number, *this is my home*.
- 24. I bring forth my claim of adverse possession of both the property and the parcel for which I maintain possession continuously, notoriously, openly, adversely, and lawfully, *this is my home*.
- 25. I have filed a lien upon the property to secure my interests and am seeking judgment for adverse possession, *this is my home*.
- 26. Any party introducing themselves into this my complaint, my claim, my matter must prove standing, this is my home.
- 27. Please note in advance that anyone who claims to represent any party as an attorney must have the party present to testify, must have proof that they represent said party, and will not be allowed to testify on behalf of his client. The Rules of Civil Procedure do not allow attorneys to testify on behalf of their client, attorneys cannot offer testimony it is unlawful, and a violation of court rules and so I place my objections on the record continuously.

IV. Affirmative relief:

- 28. This matter may only be had at equity, and of the principles of equity, equity may not render injury and I say that I have been injured, my reputation has been marred, and I have been put through HELL trying to protect my property and my property interests, without due process of law and owed compensation, *this is my home*.
- 29. That I have maintained the property, I have spent monies keeping up the property, have made improvements on the property, have secured the property, have possessed the property, have paid taxes on the property for more than 22 years, and if I am to have not been construed, considered, or recognized as the lawful owner then I am due compensation for my labors, *this is my home*.
- 30. That several financial institutions have filed false claims on my property over the years and must be held to account, and I am due compensation as a result of their malicious lies, false claims, and or in accurate record-keeping, *this is my home*.
- 31. So I bring forth here my claim for compensation due to injury, damage, slander, libel, duress, assault --on both my property, my image, and my reputation--, and for possession of the property and parcel listed above, *this is my home*.

V. Table of authorities:

32. I incorporate into this matter the organic Constitution for the state of New Mexico, and United States of America, and the state of new Columbia. I further incorporate into this matter the fair debt collections practices act, the fair credit reporting act, the consumer financial protection act, the security and exchange act, the federal housing acts, the national housing acts, the Social Security act, the banking acts, the law of nations, Corpus Juris Secundum, America's jurisprudence, the American law review, and the principles of statutory interpretation. We do hereby incorporate all of these bodies of law into this instant matter by reference.

VI. Conclusion:

33. I've acted in good faith, with clean hands, I've acted in honor only to have attorneys acting as debt collectors ignore any and all disputed responses which they are prohibited by law from doing. I have had an attorney file foreclosure on my home as though it was being done through a trustee, who it turns out did not even have the authorization from the alleged owner to file for foreclosure and or sale foreclosure sale, and despite my objections having been ignored, this is my home.

34. The remedy is already at law, in law, the remedy is adverse possession, I have a right to adverse possession I meet all of the pre-qualifiers for adverse possession and I place my claim on the record

in its valid format, attested by me via affidavit as, this is my home.

35. So again I seek equity and affirmative relief, in order STIPULATING complete and total control over my properties. I attest that I have attained the age of majority, that I am neither an infant, and incompetent person, an insane person and or a minor, this is my home.

The aforementioned is true and accurate and I place this on the record before this body on this January 4, 2018, as such so help me God ... " "
